

# CRC 1310 Symposium

## Immune-pathogen interactions

- CRC 1310** **Predictability in Evolution**
- 09:15 **Thierry Mora**  
Prediction in well-adapted immune systems
- 10:30 *Coffee break*
- 11:00 **Shenshen Wang**  
Coevolution in a recognition space
- 12:15 *Lunch break*
- 14:00 **Marta Łuksza**  
From immune interactions to fitness models
- 15:15 **Ville Mustonen**  
Studying mutational processes in cancer
- 16:30 *Coffee break*
- 17:00 **Jakub Otwinowski**  
Biophysics of antibody-protein interaction  
from sequence-function data

Monday March 19, 2018, 9:15 – 18:15  
Tuesday, March 20, 2018, 9:30 – 11:00 back up slots if needed
